Dovado Car Adapter

Now you can enjoy your **Broadband Internet**
in a truly mobile environment: **your vehicle!**

Maximize your broadband potential!

Remain connected throughout your journey by powering on the world's smallest 4G-optimized router, the Dovado Tiny. The **DOVADO TINY CAR ADAPTER** fits in all vehicles which output 12/24V (cars, boats, trucks, buses etc.) and will safely regulate the flow of power to your router. From here, you can connect all your wireless devices within your vehicle to a single point of Internet access.
